

Spring/Summer 2019

Dear Friends and Neighbors,

The Kismet Fire District Auxiliary, [KFDA], is happy to announce we will be hosting *Kismet Festival by the Bay*-similar to last year's wildly successful Kismet Community Day. It is scheduled for Saturday, July 20th, from 11 am to 4 pm. Rain date is the following day on Sunday, July 21st.

We are very excited to hold this event as all proceeds will go directly toward upgrading the security and sound systems for the Kismet Fire Department, the beautification of Kismet, and the funding for family-friendly game nights; among other planned events. Your support and the support from others like you will make this a reality for us. For that, we sincerely thank you. We are a 501(c) 3, nonprofit. Our tax ID # is: 45-3638616.

We have sponsorship packages that will give your business optimal exposure during this event. An outline of our **Gold**, **Silver** and **Bronze** sponsorships is attached for your perusal. If you would prefer we invite you to rent a vendor table for \$100.00 where you can share your specialty. You will have the opportunity to spend a day in beautiful Kismet and make new friends and clients. Please direct any questions to Dana DeRuvo at 914-954-2875.
